NOTE FOR: Commander McMahon

SUBJECT : Foreign VIPs

1. At yesterday's staff meeting Admiral Turner noted that, while attending the 7 March Cabinet meeting, mention was made of two foreign ministers being in town and he did not know who they were.

2. Attached are two periodic pubs:

Tab A: That portion of our DCI Checklist pertaining to VIPs.

Tab B: A daily issuance by the Operations Center on foreign VIP movement.

3. You may want to find a way to keep Admiral Turner abreast of one or the other. Note that Tab B is updated on Monday, Wednesday, and Friday and is therefore more current than the weekly DCI Checklist.
